phalt blocks.

It has one of the best new 12-room school buildings in the District, and a site has been purchased and an appropriation made for another.

The houses are all of brick and stone and are all new.

It has one church and is within convenient walking distance of several others.

It is within three squares of the Washington College for Young Ladies.

It overlooks the Capitol and a large part of the city.

The lots are not too deep (90 feet), and all improvements have been made and paid for, so there will be no waiting for appropriations and no assessments.

It is the only absolutely finished subdivision in the District.
